

Is your Minibar empty?

"Don't keep your cravings bottled up. Open the minibar and let the good times pour!"

"Room service takes 30 minutes. The minibar takes 30 seconds. Do the math."

Kindly connect our front Desk on extension "0" to get your Minibar Stacked, with one time purchase per package (with choice of Alcoholic and Non-Alcoholic drinks) and finally remember

"What happens in the minibar, stays on the folio. So, Indulge a little!"

Thanks, and Regards
